FOREWORD

The role of academics of Humanities, Education, Law, and Social Sciences is increasingly required to formulate responses toward the current challenges within the societies as well as to prepare for the 2045 megatrend. Therefore, international academic collaboration is a crucial to identify the sources of issues and propose the best solutions based on Humanities, Education, Law, and Social Sciences.

The Association of Indonesian Scholars of Education in Social Sciences (Himpunan Sarjana Pendidikan Ilmu-Ilmu Sosial Indonesia/HISPISI), as an independent organization that dedicated for scientists, academics, educators, and observers of education in social sciences is called to play its role to provide solutions toward the challenges of global society by organizing international conference which aimed to become an arena for discussing the latest trends in Humanities, Education, Law, and Social Sciences.

HISPISI hosts the 2nd HISPISI's International Conference on Humanities, Education, Law, and Social Sciences (ICHELSS) on 25 August 2022. The current theme is “Uncover contemporary trends and address shared challenges in social sciences, humanities, education, and law studies”. This conference is a venue to discuss topics related to the disciplines of Social Sciences, Humanities, Law. In general, the topics discussed are related to the disciplines of Humanities, Education, Law, and Social Sciences which include but not limited to the study of Sociology, Anthropology, Law & Politics, Communication Studies, Education, Religious Studies, History, Arts, Geography, Civic Education, Communication, and Tourism.

This is a book of abstract of the 2nd HISPISI's International Conference on Humanities, Education, Law, and Social Sciences (ICHELSS) which covers the abstract of presenters and schedule of presentations.
